Letter Ref. No.: PNTL – CNAV/LOM0200713

Memorandum on PNEUMATROL's Origin

To: Whom it Concerns

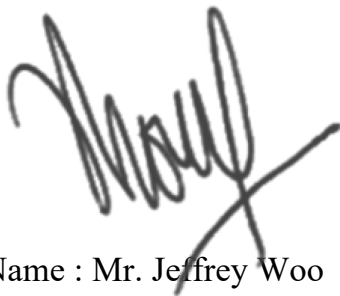

By this letter, we **PNEUMATROL LTD** hereby confirms that all products produced by PNEUMATROL which supplied to our authorised distributor AutoValve Controls (Shenzhen) Co., Ltd and her associated channel partners in Greater China are **genuine made in United Kingdom** having our only factory registration address at West End Business Park, Oswaldtwistle, Lancashire, BB5 4WZ UK.

We also assure all PNEUMTROL products are directly exported from our UK factory and could be provided with Declaration of Conformance & Origin by our Quality & Documentations Department if required.

Thanks for considering PNEUMATROL as your preferred vendor and we ensure all products sold by our authorized distributor are fully back up and warranty by PNEUMATROL LTD in against any manufacturing defects.

Please do not hesitate to contact the undersigned should you require further assistance.

Yours Faithfully,

Pneumatrol Ltd
